

## Invitation to participate

### **Professional Course on: Leadership in Sustainable Development Goals Domestication (LSDGD) Cohorts 4&5, 2018**

#### **Modules**

The course comes in five (5) modules addressing critical aspects dealing with the domestication and localisation of the SDGs at the identified spatial and non-spatial scales from the global, through regional, national, municipal, corporate and other organizational levels. The modules include the following:

1. Module 1: Fundamentals and discourses in sustainable development
2. Module 2: Towards a Single Global Development Agenda
3. Module 3: From MDGs to SDGs and Regional Agendas
4. Module 4: Domestication and Localisation of SDGs
5. Module 5: Hands-on Activities on SDGs Domestication and Localisation

#### **Course Delivery Model and Duration**

The course lasts 5 days and is mainly offered off-organization premises in Pretoria and Johannesburg, South Africa. However, special on-organization premises offering can be arranged.
